

One of our goals as your credit union is to provide a wide selection of quality products and services at little or no cost to our members. While we'd prefer to serve members without imposing any fees, as a not-for-profit financial cooperative, it is imperative that we recover administrative costs associated with some of the services that we provide.

In an effort to keep member fees at a minimum, we compare our fee schedule to other area financial institutions. Rest assured, we will continue to make every effort to be the best and most affordable provider of financial services to our members.

If you have any questions regarding this schedule, please call us at **559-686-1791** and we will be happy to assist you.
